 Site Area - 1.6 Acres (0.65 Hectares)

Rent On Application

## Units 2, 3 & 4 Holt Lane, Wheathills Industrial Estate, Netherley L27 2YB

### LOCATION

The property is located in the Netherley area of Liverpool in Merseyside, approximately 7 miles to the east of Liverpool City Centre.

The property is located on Holt Lane on Wheathill Industrial Estate. Belle Vale District Centre is located approximately 1 mile away, providing amenities and regular local bus services from Belle Vale Interchange. The M57 and M62 are readily accessible via the B5178, being located approximately 2.5 miles away.

The immediate area is commercial, principally industrial, and residential in nature. Wheathill Industrial Estate is located adjacent to Childwall Golf Club.

### DESCRIPTION

Generally, the site comprises three light industrial units with shared loading and parking facilities with vehicular access from Holt Lane.

Unit 2 is a light industrial workshop which has been split into two sections capable of being occupied independently. The building is of steel portal frame construction with brick and metal clad elevations under a pitched metal clad roof. There is a lean-to store to the right hand side and a small loading bay at the front. Both provide clear open areas and there is a small office / store to the front section. Unit 2 is linked to Unit 3 via a small link corridor.

Externally, there is a yard and car park, surfaced with areas of tarmacadam and concrete. The perimeter is secured with palisade fencing and there is a dedicated gate from Holt Lane.

Unit 3 comprises two workshops and office accommodation. The main office area has cavity brick walls with UPVC double glazed windows under a felt flat roof. The offices benefit from gas fired central heating.

Unit 4 comprises an industrial unit and the main section has a steel portal frame with brick elevations under a pitched roof. The property benefits from a loading bay, stores and welfare facilities.

Externally there is a large yard and car park, surfaced with areas of tarmacadam and concrete. The perimeters are secured with palisade fencing.
